Dear ma'am/sir;

I am writing this letter to accept my mistakes for not following your instructions. Sorry kaayo ma'am/ sir sapag buhat og dali-dali na desisyon tungod kay ana akung silingan nga si Jerlay Acapulco na lumad sa purok-6, Capucao B na magsayo og botar ang among purok kay ang cut-off sa voting, alas 3:0 pm sa hapon. We had agreement also sa usa ka baker nato nga si Robert Sacil nga pwede rako mo botar kay wala pakoy salangon/ ltuon.

Please accept this letter of explanation. Forgive me, and give me another chance to work for your company again. I shall be very grateful to you, ma'am/sir, for your kindness, understanding, and consideration.

Sincerely;

Jeric Piras Magsayo
